Dear Sirs

## Dialog Telekom PLC

## Limited review report for the three months ended 30 September 2007

We have reviewed the accompanying condensed consolidated interim balance sheet of Dialog Telekom PLC as at 30 September 2007, and the related condensed consolidated interim statements of income, changes in equity and cash flows for the three months then ended. This condensed consolidated interim financial information is the responsibility of the Company's management. Our responsibility is to express a conclusion on this condensed consolidated interim financial information based on our review.

We conducted our review in accordance with the Sri Lanka Auditing Practice Statement applicable to review engagements. This guidance requires that we plan and perform the review to obtain moderate assurance as to whether the condensed consolidated interim financial information is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit, and, accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated interim financial information has not been prepared, in all material respects, in accordance with Sri Lanka Accounting Standard 35 "Interim Financial Reporting".
